Creative Solution For Your Business

# Hello I'm **NEHA VERMA**

I'm a passionate **frontend developer** and aspires to build more dynamic and **interactive web** applications. Beyond coding, I'm a creative **UI/UX and graphic** designer, driven by the goal of crafting user-friendly designs. I also enjoy content writing, which allows me to bring stories and ideas to life through words.

# Technical skills

# Learning Philosophy

"Breaking codes and smashing ceilings  
Women powering tech, one innovation at a time!"
